SCHOOL WORKSHOPS *in French*

Theatre Workshop

Let's create a story together!

Immerse your students in the world of theatre and imagination! During this workshop, they will play, laugh, and create an original story together, all while developing their French.

On the program:

- 🎭 Fun warm-ups for voice and body
- ⭐ Improvisation and expression games
- 🐉 Collective creation of a short story (characters, places, adventures)
- ⭐ Staging and presentation in front of the group
- 🌈 Cool-down and experience sharing

A unique workshop where learning French becomes a theatrical adventure!

Culinary Workshop*

"Petits chefs en action" (3-5 years)

Discover the joy of cooking in French!

Our culinary workshops combine hands-on kitchen fun with French language learning. Children will discover new flavors, practice useful vocabulary, and gain confidence while creating delicious recipes.

On the program:

- 🍷 Prepare delicious recipes (Croque-monsieur, petit sablé, croissant or pain au chocolat with pre-made dough)
- 🎲 Food games: flashcards, bingo, role-play
- 🎨 Creative activity: make your own chef's hat or Arcimboldo-inspired art

*Only available at your school

SCHOOL WORKSHOPS *in French*

Culinary Workshop*

“Petits chefs gourmands” (6-9 years)

Cook like a chef while learning French!

Children discover French recipes, learn to use simple sentences, and practice vocabulary through fun cooking activities.

On the program:

- 🍳 Prepare ratatouille or quiche lorraine
- 🎲 Mini-loto of utensils: match images with real objects
- 🎈 Icebreaker “Magic Balloon”: introduce yourself + favorite food
- 🧼 Hygiene rules: wash hands, wear apron
- 🎬 Watch an extract from Ratatouille and discuss

*Only available at your school

Culinary Workshop*

“Master Chef” (10-14 years)

Take your cooking and French to the next level!

Older children learn to read and follow recipes, use cooking techniques, and describe their actions in French while preparing delicious dishes.

On the program:

- 🍳 Prepare ratatouille or quiche lorraine
- 🧁 Bake mini apple tarts or muffins
- 🔪 Practice cooking techniques: chopping, mixing, baking
- ☀️ Present the recipe and dish to the group in French

*Only available at your school

SCHOOL WORKSHOPS *in French*

Jewelry Creation Workshop

Combine creativity and language!

Through jewelry-making, children discover new vocabulary, practice communication skills, and express their imagination while creating unique pieces to take home.

On the program:

🔗 Introduction to jewelry vocabulary (bracelet, ring, necklace, materials)

🎲 Interactive games: mandala coloring, memory & domino, "Jacques a dit"

🗣️ Oral production: describe a jewel without showing it

🎨 Creative workshop: make your own bracelet or ring

Students will spark their creativity and practice French while making their own unique jewels!

Creative Workshop

"Puppets & Stories Adventure" (3-5 years)

Spark imagination and practice French through storytelling!

Children explore language, invent stories, and create puppets while having fun and expressing themselves in French.

On the program:

🎭 Introduction with puppets or plush toys

📖 Animated reading of a picture book: act out, make sound effects, move around

❓ Story comprehension questions: Who are the characters? What happens? Where are they?

🎨 Puppet-making craft: create a stick puppet or draw their favorite character

Creative Writing Workshop

"Create Your Own Comics" (6-9 years)

Spark imagination and practice French through comics!

Children create their own characters and stories, then illustrate them in comic strips while practicing French.

On the program:

- 📖 Introduction to comics: understanding speech bubbles, panels, and story
- 📝 Brainstorming: create a shared character database
- ✏️ Story creation: children create a short story in 4-6 panels
- 🎨 Comic creation: draw scenes and write dialogues in bubbles with teacher support

Creative Workshop

"Write & Tell Your Story" (10-14 years)

Unleash imagination and practice French through structured storytelling!

Teenagers plan, write, and illustrate original stories using narrative structure, developing language and creativity in French.

On the program:

- 💬 Discuss story structure
- 📝 Brainstorming: generate ideas from images or random words
- ✏️ Story planning: complete character sheets and story outline
- ✍️ Writing: draft a short story individually or in pairs
- ☀️ Sharing and feedback: read stories aloud and discuss

SCHOOL WORKSHOPS *in French*

Board Games Workshop

"Jack and the Beanstalk"

Learn French through play and storytelling!

Children explore a classic French tale while developing vocabulary, grammar, comprehension, and creativity through a fun board game activity.

On the program:

- 📖 Introduce main characters, action verbs, and key vocabulary
- 🎬 Watch the animated story Jacques et le haricot magique
- 🧩 Comprehension exercises
- 🎨 Create the board game
- 🎲 Play together: follow the game steps to practice vocabulary, grammar, and storytelling

Painting Workshop

"Hands-On Painting" (3-5 years)

Explore colors, body parts, and French through hands-on painting!

Children discover colors and parts of the body, follow simple instructions in French, and create their own handprint artwork.

On the program:

- 👋 Welcome & greetings with a puppet or ball
- 🌈 Color game
- 🎵 Song to learn body parts
- 📌 Color and body part game
- 🖌️ Handprint painting: children make prints on large paper and decorate them with eyes, mouth, legs to create characters

SCHOOL WORKSHOPS *in French*

Painting Workshop

“Rainbow Artists” (6-9 years)

Discover colors, mix shades, and practice French while creating your own artwork!

Children learn primary and secondary colors, explore shades, and produce individual or collective paintings while using French to describe their creations.

On the program:

- 🎵 Song & color game: touch objects of the given color in the classroom
- 🎨 Color mixing experiment: primary to secondary colors, explore light/dark shades
- 🌀 Twister colors game: hands and feet on colored circles according to instructions
- ☀️ Mini-gallery: display artworks and let students describe each other's creations

SCHOOL WORKSHOPS *in French*

We offer custom workshops for students from Grade 1 to Grade 12!

Contact Paola, our Educational Director, and design the perfect program together to meet your needs.

Give your students a fun and engaging learning experience, specially designed just for them!

We offer personalized learning in small groups (up to 12 students), with extra instructors available for larger groups.

- 1 group of 12 students max. = 1 AFE instructor + 1 teacher from your school
- 13 to 24 students = 2 groups = 2 AFE instructors + 2 teachers from your school
- 25 to 36 students = 3 groups = 3 AFE instructors + 3 teachers from your school

In addition to learning French, our workshops help students develop essential life skills:

- Teamwork and collaboration
- Creativity and imagination
- Problem-solving skills
- Critical thinking
- Communication and confidence
- Cultural awareness and openness
